Primary Directors are either workups on your first level not placed by others or Quick Start Directors placed anywhere in your organization that you personally sponsored.

Retail Direct Customers are those who purchase products to be shipped directly from DWG on your behalf.

Retail Customers are individual sales that you transact from your inventory.

Reductions in PGRV requirements result from Primary Directors participation in the Monthly Autoship Program. The amount of their autoship will reduce the PGRV requirement of their Personal Sponsor.
